

- Mobile Application Download Instructions:
- Open your phone's App Store or Google Play Store and search "MSDS".
- Search results should show the app choice below:

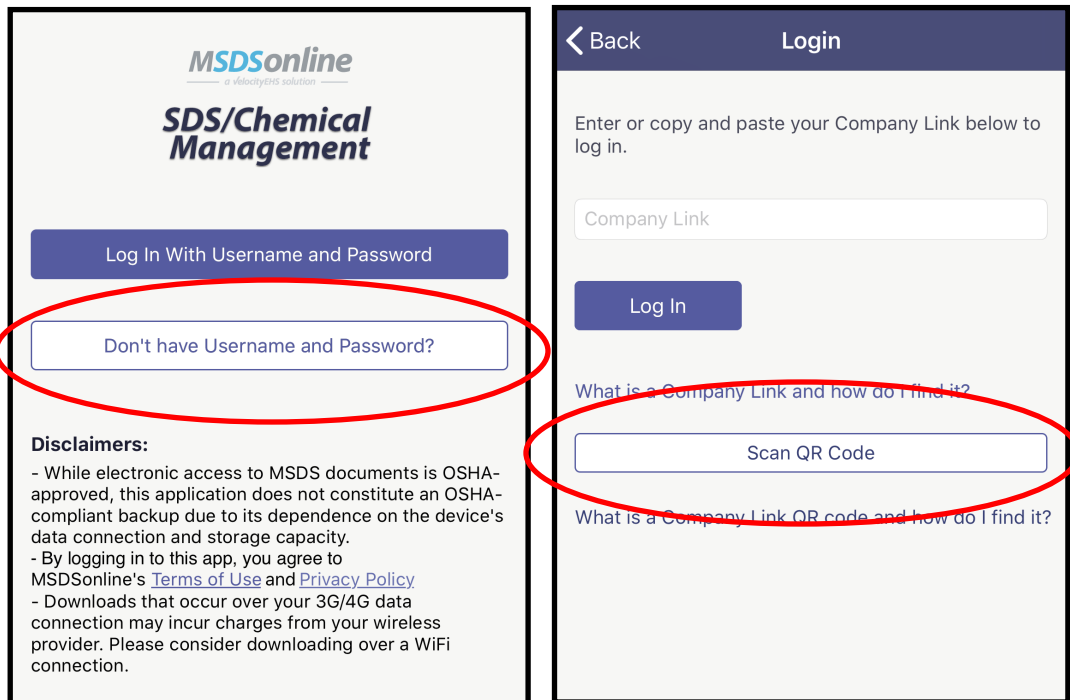

Apple App Store

Google Play Store

- Once installed, the app will ask you for a Username and Password. Choose the second option, “Don’t Have Username and Password”. Then select “Scan QR Code”.

- Allow the app to access your phone or tablet’s camera.
Then scan this QR code:

- Once logged into our HDA Truck Pride corporate account, you’ll be able to browse the eBinder for the current SDS library.
